Consumer Feedback & Satisfaction

*NAMES CHANGED

Smells really nice! Was a bit unsure of trying out fragrant lip hues as I don't like heavy perfumes. It has a nice light scent and I love putting it on.

FROM TARA

I tried it on my skin & it feels so soft. This feels like a very rich & premium product on my lips. I am impressed.

FROM RALEIGH

Really impressed with the quality and richness of ingredients.

FROM KATI

I didn't expect it to look this good. The lip hues have a good structure & texture. I have never owned lipstick that smells this good without being intoxicating or over the top.
